EL ROBLE

Cheri-

Maybe we didn't  
always get along the  
greatest, but I never  
had any thing against  
you

Friends

James

Cheri,

Take life easily

Love Ya, Tom

Have friendship  
with

Cheri  
You really  
know a lot  
about life  
and a lot  
about me.

Cheri,  
It was nice  
meeting you this  
year. Pearson's class  
was ~~at~~ alright. I  
never forget that guy picking  
his nose. And cutting work together.  
Toni Ingram

Cheri is a  
leechin' person so  
even fun with her  
and her cool  
Steve Davis  
year

Cheri, Being my next door  
neighbor I sure haven't  
seen you much. I wish  
you the greatest of fun  
times next year. & good  
luck staying out of trouble  
ever Roberts

Cheri-Bee  
Hey big Mama Jap.  
I can relate.  
I hope we can some  
day go to the beach  
pick up on guys.  
Love Roxanne  
Rock

Cheri  
I can't  
~~wait~~ wait to  
dance with  
you again  
see you next  
year  
John Lough

Cheri,  
 we hope we  
 can "stay" friends.  
 we sure did have  
 fun this year, didn't we?  
 well may - take care.  
 love ya,  
 Well

Cheri:

You a Super neat  
 person to be around.  
 Have fun this Summer  
 and try not to party too  
 much. Take care in all  
 the years to come.  
 happiness always.  
 "81" love ya.  
 your  
 Takerl

Cheri  
 I am glad that  
 I got to know you  
 this year  
 this summer.

Love  
 Robert Johnson  
 party  
 a Jan

to a rocking rockin' roller,  
 take it easy and don't become  
 a burn-out, O.K.??

Cheri,

I finally remembered  
 it (H.C., Pa) well have  
 a great summer!

Remember Seniors  
 Rule!!

'81" Love  
 Sharon

Too very Sweet Person That  
 I would like to do better  
 for a friend love you forever

Hi Cheri

It was so glad knowing  
 you this year Have  
 fun this summer

Mike Strong  
 class  
 of  
 '82"

Cheri,  
 Thanks for all  
 the rides one of  
 these days I'll  
 have a license  
 Thanks for being  
 a friend of mine  
 Love ya  
 Sandy's

~~that~~  
 sometime

Cheri been  
 out to  
 that's  
 with  
 a  
 love

Cheri,  
good luck,  
Ta Ta. Take care  
and see Ta around.  
Love Diane Long

Cheri, hope you  
passed Mr. Joy's  
class I helped  
you as much as  
I could in the book  
So good luck see  
YA next year

Love  
Charlie Jr.

# SENIORS

As Freshmen they were considered Bedwetters who carried baby bottles. As Sophomores they started stepping out of their diapers and stepping into being somebody. As Juniors they thought "were almost there"! And finally as Seniors they looked back at the past, realizing that it would all be over soon, and that they would be in the world on their own.

So Seniors never give up in despair and think that you are through, For there's always a tomorrow and a chance to start anew.

# Dated Photos In Dusty Frames...

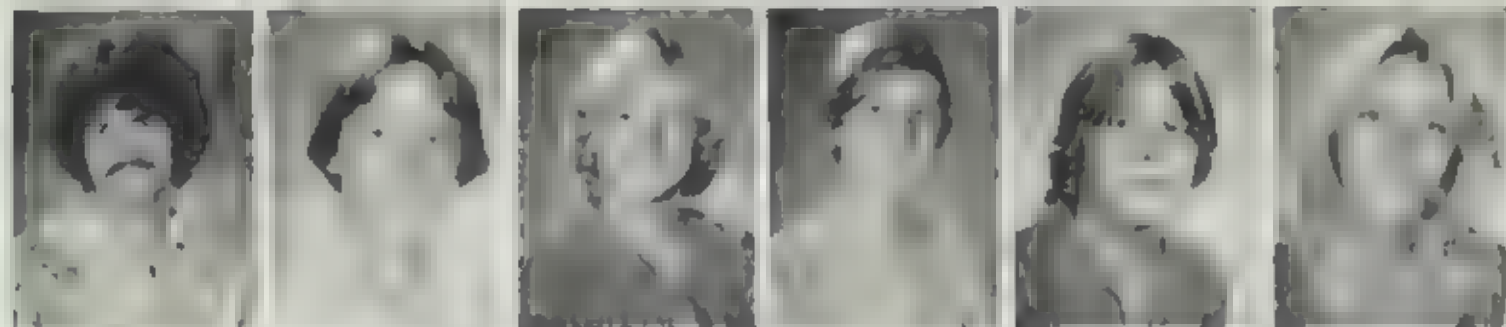

With much planning and hard work, the Juniors made 1979-80 a huge success. They began their successful year by presenting a beautiful Hawaiian homecoming assembly with the theme "A Time For Us." With much inspiration from their elected class officers, Holly Spinaz, Steve Talbert, Rhonda Fisher, Cris Dillon, Maria Madrid Dena Cagliero, and Richard Ogden and their spirited advisor, Melvina Jones, they managed to

profit from their magazine sales. Ambition was the key word to the Juniors success. By working together Juniors accomplished many goals. To raise money for their activities they spent many hours slaving over barbeque pits and popcorn poppers. The Juniors showed their tremendous amount of spirit at the pep assemblies. At the unreplaceable Powderpuff football game the Junior class cheerleaders put on a robust

performance. To finish off their year they put on an unforgettable Prom for their upper classmen. In return for all their hard work and time spent, many fond memories were made of the unforgettable times they shared. Without the enthusiastic class of 81 P R H S. would not be the same. They all await with much excitement and anticipation for a senior year thats sure to be great!!

Spunky best described the Freshman class of 83. It was a big step for them from Jr. High to high school. Walking around left them in a daze, but when the Freshman reception came around, it brought them all back together. Then came the successful sale of class pins which was a fun and different experience. The year seemed to go by all too fast with the election of class officers Pres.- Rondii Quiram, V.P.- Sheila Gunn, Sec. and Tres.- Patti Martinez, Parl.- Cathie Fay, Rep.- Mitch Roth, Kathy Campbell, Suzie Sligh

The Freshman class was also responsible for selling peanuts at the football games, with which they made a donation at the end of the season to the child's center. With a minimal amount of hazing, Freshmen were able to accomplish the following: winning 4th place in the Homecoming float competition, placing first in a pep rally (a first), sponsoring an after game football dance (which went quite well), buying the decorations for the Christmas trees, and generally had fun and caused trouble.

Head Coach Ed Railsback

Coach Greg Welch

The Paso Robles football team, under the head football mentor Ed Railsback and his assistants, Athletic Director Greg Welch, Greg Griffen, and Kelly Moore, had a season to be remembered. With the players as well as the coaches, having injuries and illnesses Paso started out with a victory over King City and then lost the next three non-league games. After the preseason, the team changed completely and won the next two league games against St. Jo and Morro Bay

Coach Greg "Siuggo" Griffen

Manager John Bell

"Trainer Bill" Culver

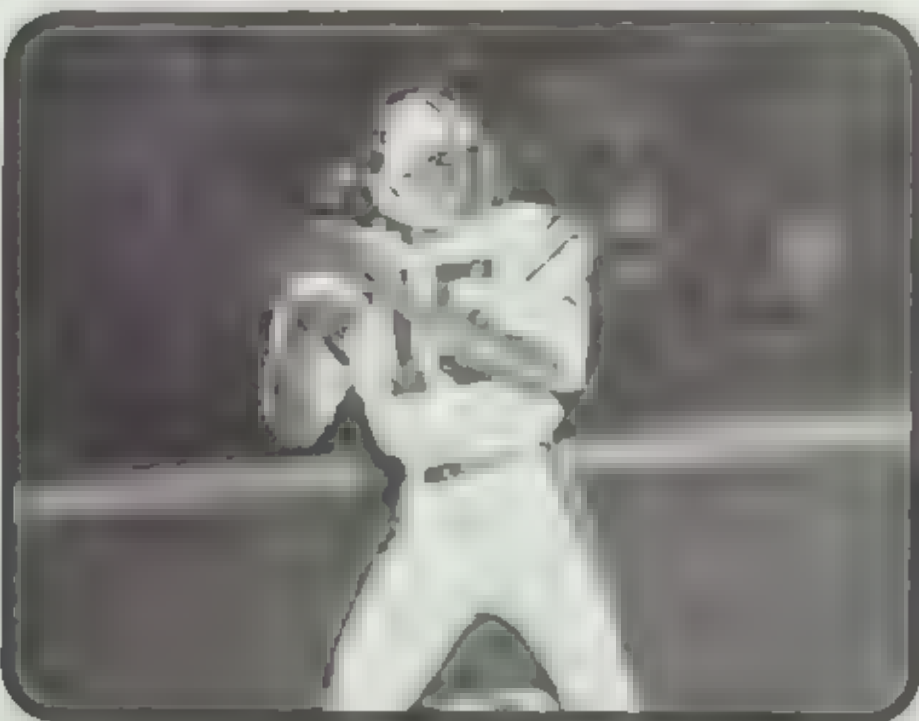

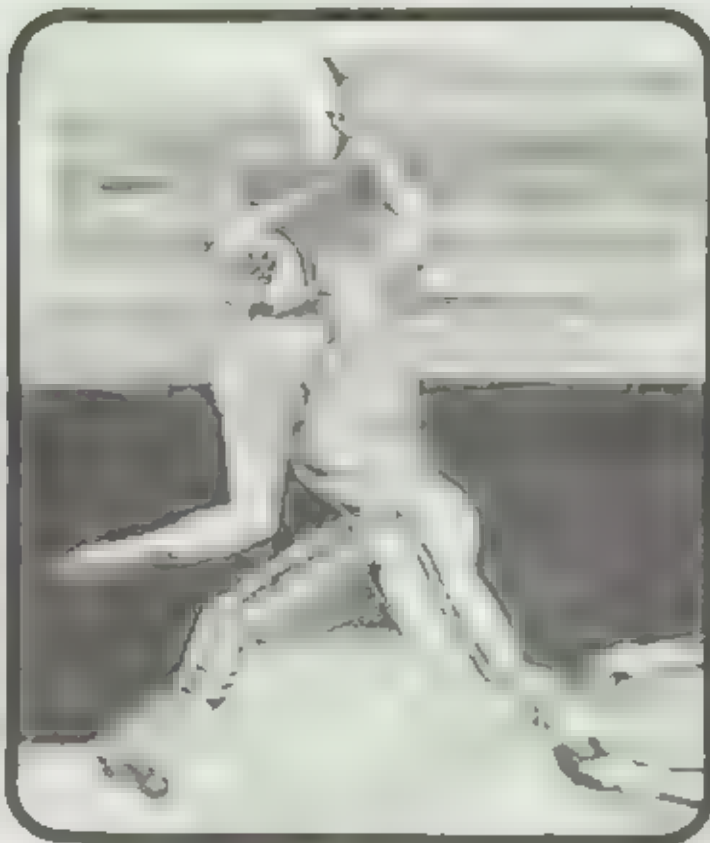

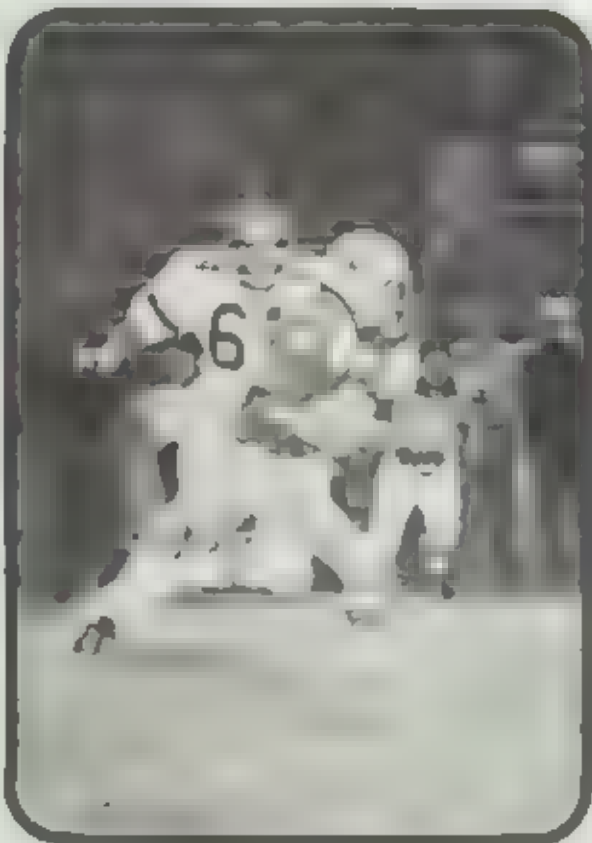

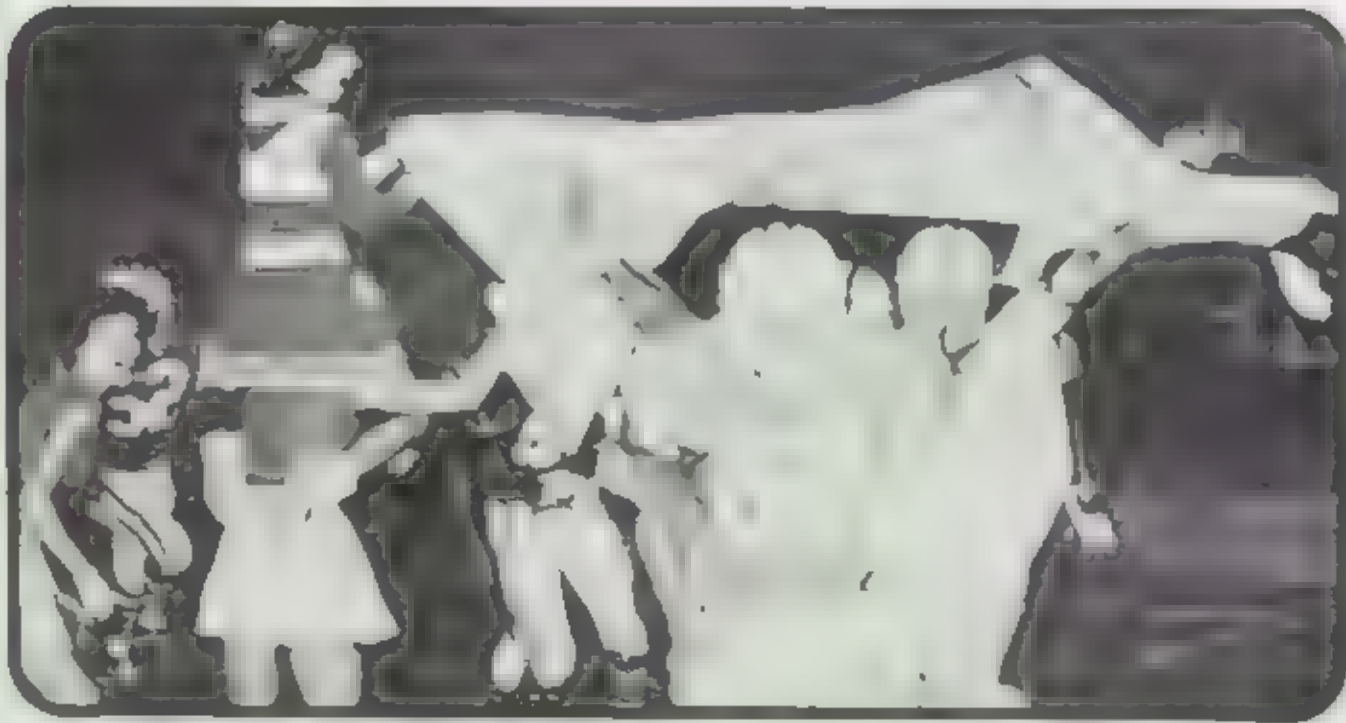

Then came more injuries, and a loss to Santa Ynez and Atascadero, but they gave it a good try, even though playing in the rain, the score was 20-0. Atascadero finally had a team that could give the Bearcats a tough opponent. Both teams put up a good fight especially the Bearcat Defense, who held the Hounds to very little yardage. So Paso Robles ended up the season with a respectable third place in the league, with an over all win and loss record of 3-5

# Frosh-Soph Football - A Winning Streak

Potential. That was the key word to this year's outstanding group of enthusiastic freshman and sophomores. Their only thoughts during football season were those for learning systems and techniques for offensive and defensive plays. They had an excellent attitude toward the hard work they put into each game. Some important factors which led them to their attitude was the ability to learn and their dedication. But most importantly they had teamwork.

Although this year's teams were tougher and harder to defeat, the Frosh-Soph. football players played each game with a spirited hope to win the game for themselves and for the couple of injured players. It was very difficult to win without two injured players, Rob Ketchum (center) and Scott Bates (defensive end), who were injured early in the season. Curtis Price, Dave Pedrick, Chris Przybyla, Jim Martinez and Marty Paris were some of the outstanding players of the year.

## Varsity Volleyball Spikes Again

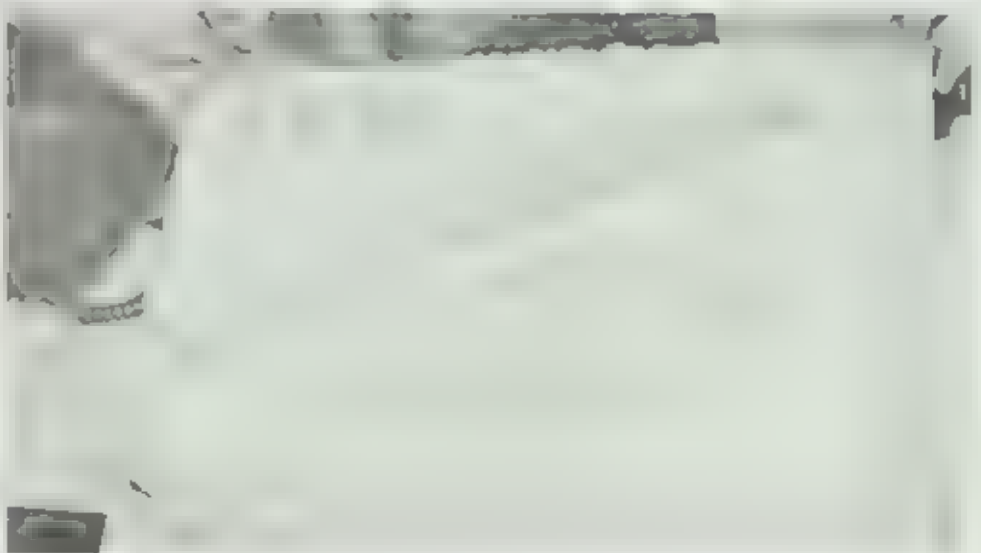

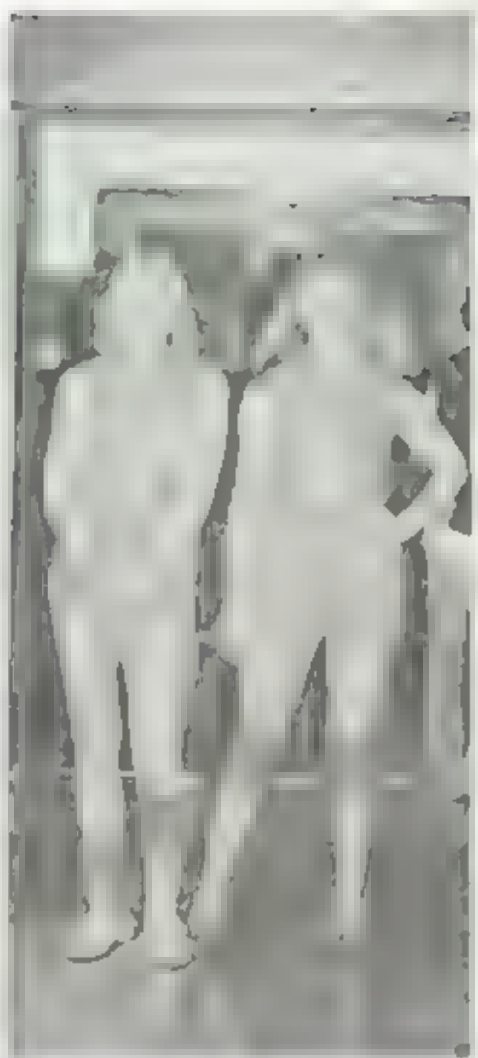

The 1980 girls Varsity Volleyball team enjoyed another very successful season. They were the "first-ever" champions of the newly formed Los Padres League. Their season record was 15 and 4 and the league record was 11 and 1. Eight outstanding seniors were the mainstays of the team. They were Debbie Hiner, Jean

Tharaldsen, Janice Griffin, Tracy Wade, Laura Bryant, Rosalinda Fernandez, Sandra Maduena and Sophie De Victor. The other members of the team were Stacy Sznijkowski, Juli Littou and Tory Mosses. Debbie Hiner was selected as the most valuable player by the league coaches and Jean Tharaldsen was named to the All-League

team. The talent and dedication the graduating senior girls provided the past four years will be very difficult to replace, however, coach Joy believes the returning varsity and frosh/soph team members will work hard to maintain the success and winning tradition established by previous teams

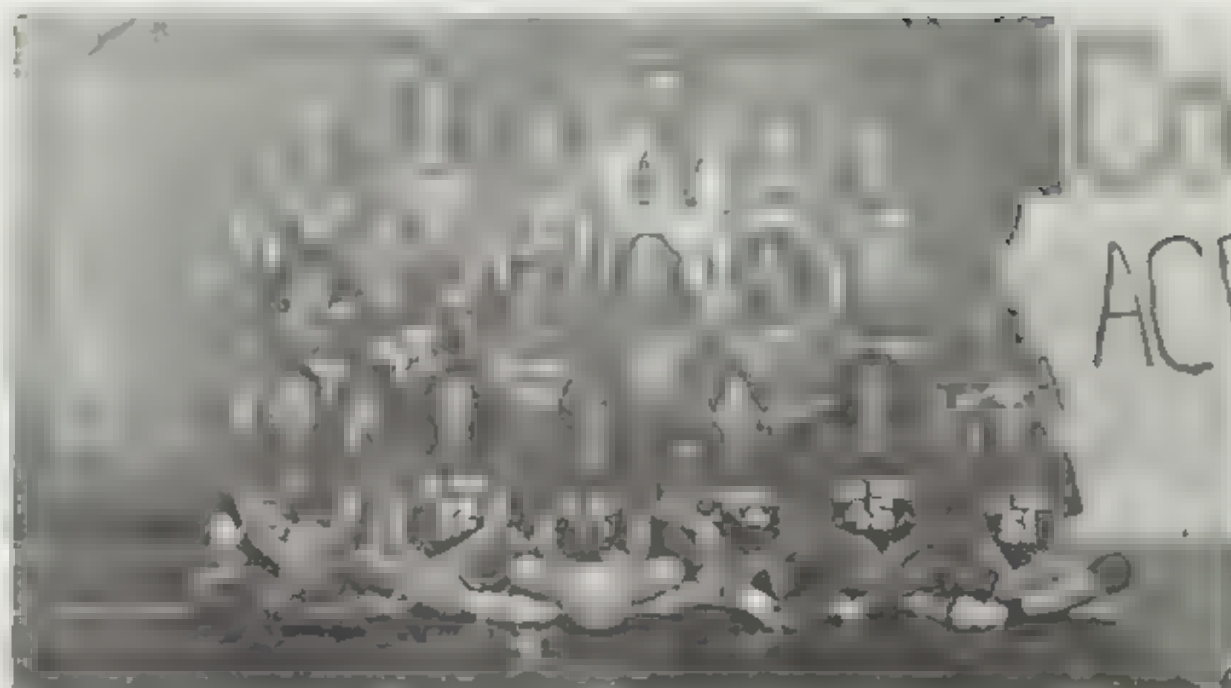

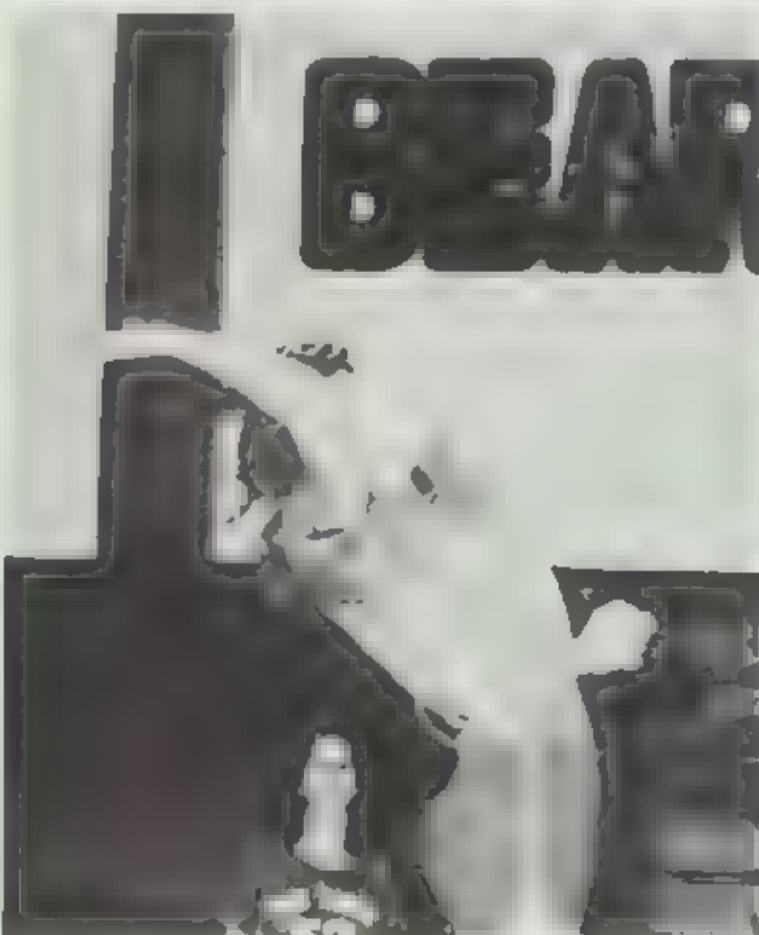

## J.V. Serves It Up

Pep and enthusiasm marked the 1979 Junior Varsity Volleyball team. They have put in lots of hard work and practice this season. Skill and teamwork was stressed by Coach Bruno Martinelli who was assisted by his wife Mrs. Martinelli. The team had an overall season record of eight wins, five losses. Team members are as follows: (upper right hand corner) Cindy Philips, Janet Dieter, Denise Philips, Coach Martinelli, Mrs. Martinelli, Toni Venturini, Leslie Reese, Barbara Dildine, Nancy Charles, Erma Fletcher, Lucy Wong, Debbie Fisher, Kim Swinney, Lynn Wadsworth, Rondii Quiram, Joyce Rambo, Janet Ferrin, Sheila Gunn, Irene Perez, Kay Moore. # Men Of Iron, Clubs Of Wood

With talent, ambition, and hard work, the Paso Golfers have been successful the last four years in league play. This team has never had a losing season nor finished any lower than third in the league. Last year the team came in second in league and ninth in the CIF Regional Team playoffs at Santa Barbara. Steve Hahn and John Senechal have been the outstanding players of the team. Steve was all-league three years and John two years. Steve has also competed in individual CIF the last three years. One of the big highlights of the year was John Bell's hole-in-one during the match at Black Lake Golf course in Arroyo Grande. A dream come true for every golfer that is seldom realized. Our golf team members have shown enthusiasm not only in being good golfers but also in being good students. Future golfers, you have a tradition to uphold!

With the enthusiastic leadership shown by Matt Arnt Luster and Jeff Bridge the boys cross country team took 2nd place in the league

As for the girls, the exceptional performances shown by Laura Barger helped keep the girls' team going strong. Laura set a league record in the two-mile run and runs consistently in all her races.

Anita Miller is the most improved runner for the girls with Dean Chavez, the Senior runner, for the boys. Jeff Bridge and Marin Gilman had the honor of receiving the Lions Club award for their all-around talents.

Although the girls had a slight downfall by losing Cathy Griffith for the last few races and CIF they finished 1st place in the league and 3rd in the CIF prelims. Marin Gilman recorded the fastest time for the Bearcats to help the girls take 9th in the CIF finals. Matt took a 5th in the CIF finals for the boys.

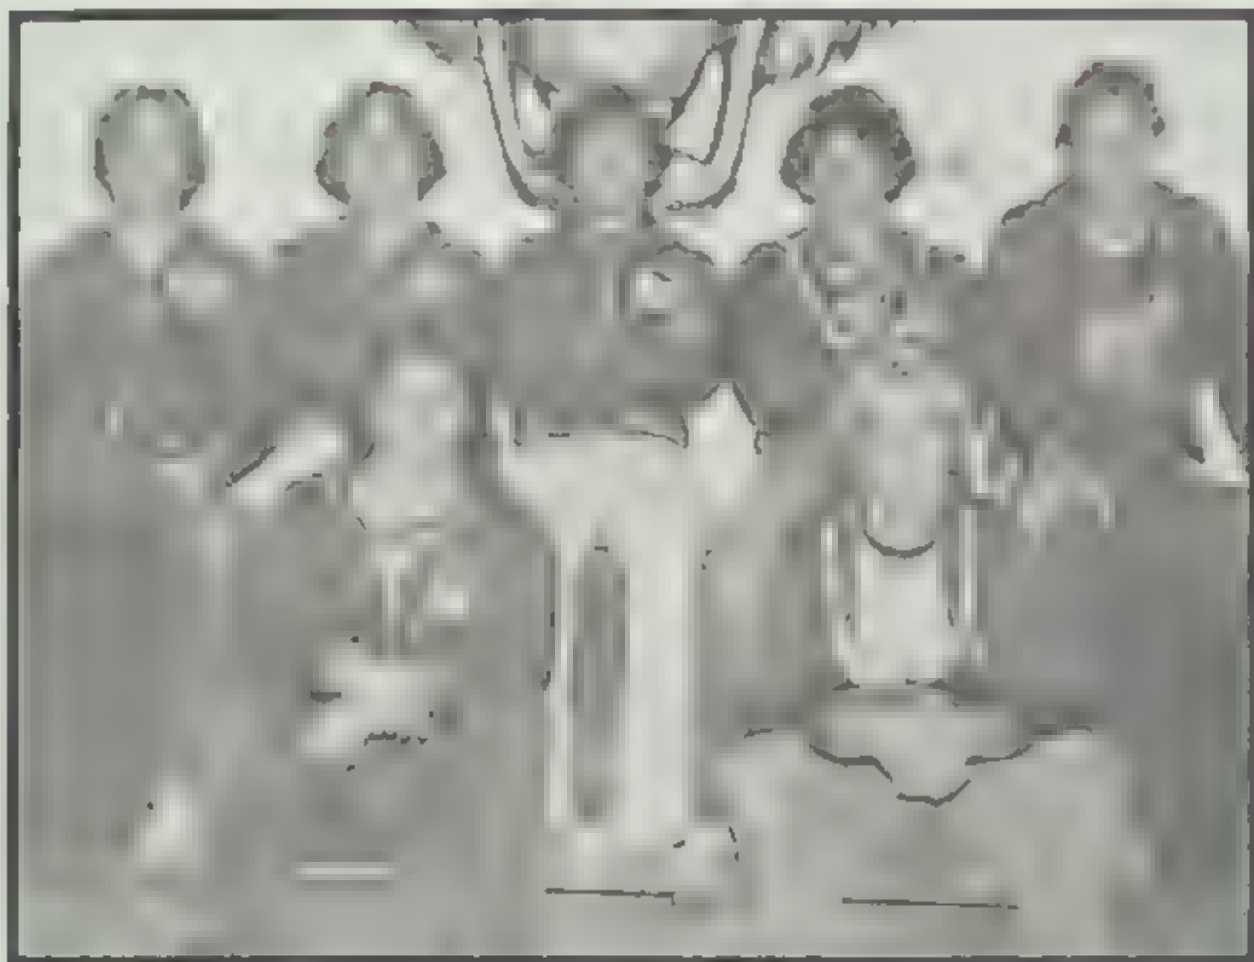

Despite the fact that the boys will not have Dean Chavez next year, Coach Hutton commented that both teams will be extremely strong next season.

## Girls

The girl's tennis team enjoyed a number of good matches this season including four remarkable single's sweeps. Four separate times, top single's players Lynnmarie Webb, Jamie Tuley, and Cathy Arias won nine out of nine of their sets. This season's team made CIF playoffs, participated in the Ventura Tennis Tournament and plans to play in the Ojai Invitational in April. This team also included the Las Padres Double's champions for the second straight year, Lynnmarie Webb and Cathy Arias. This year's award winners, were Most Valuable Player, Lynnmarie Webb with an incredible record of 27 wins and 6 losses. Most Inspirational Player, Katrina Viborg, and Most Improved Player, Darien Eberle. The team only stands to lose one senior and therefore prospects for next year are excellent. Coaches Holst and Jones proudly congratulate the team members and encourage them to keep up their year round practice in preparation for a league winning season next year.

Dedication and a good backhand, is how first year tennis coach Bob Coulter, treats his squad of competitors. The '80" team was lead on to new experiences with Vincent Morin team captain, serving as a set with Bill Mitchell and Dave Helwig who brought on a new crop of hopefuls for upcoming years.

Such Rivals as Morro Bay have had a record of stiff competition, indeed the strong backbone that has developed in the traditional Bearcat spirit will come in hand.

Next seasons victories are in our grips, as the breeze holds the scent of hard work.

## Close But No Cigar

*In a league like the L.P.A.L., records and statistics don't always tell the whole story. This was the case during the 1980 Frosh-Soph season.*

*Because of the devotion to the game of Basketball and dedication to the off season program, the Bearcubs were never out of any single game. Under the superb coaching of*

*Kelly Moore, they dribbled until it was all over and averaged only two points a loss.*

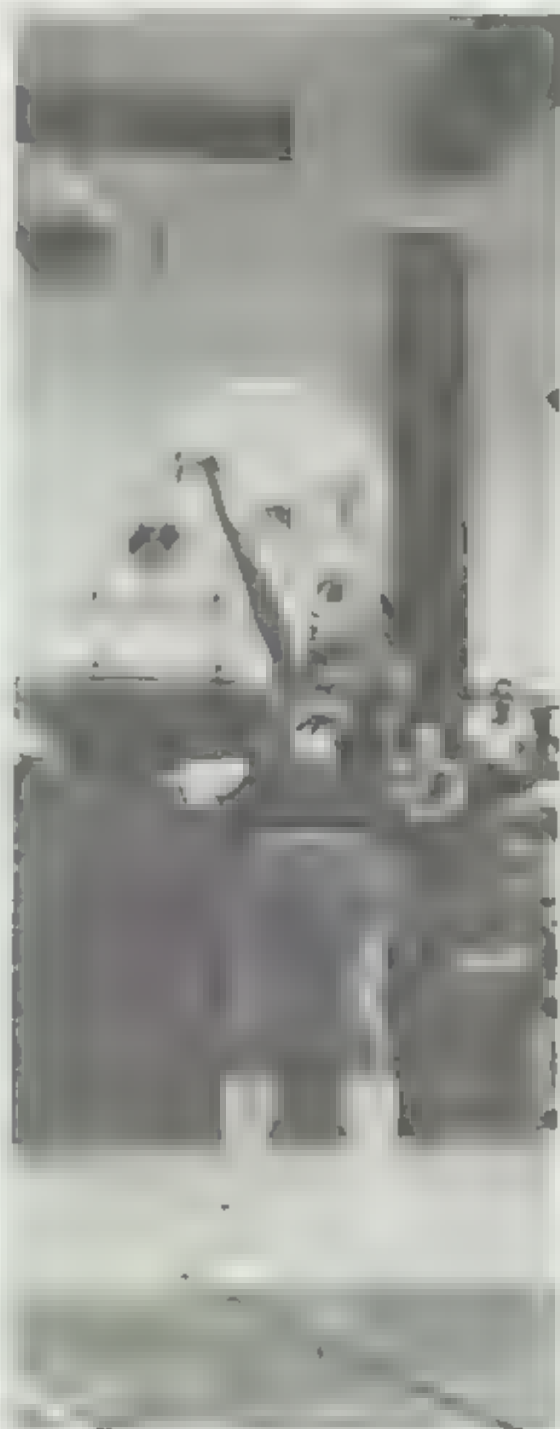

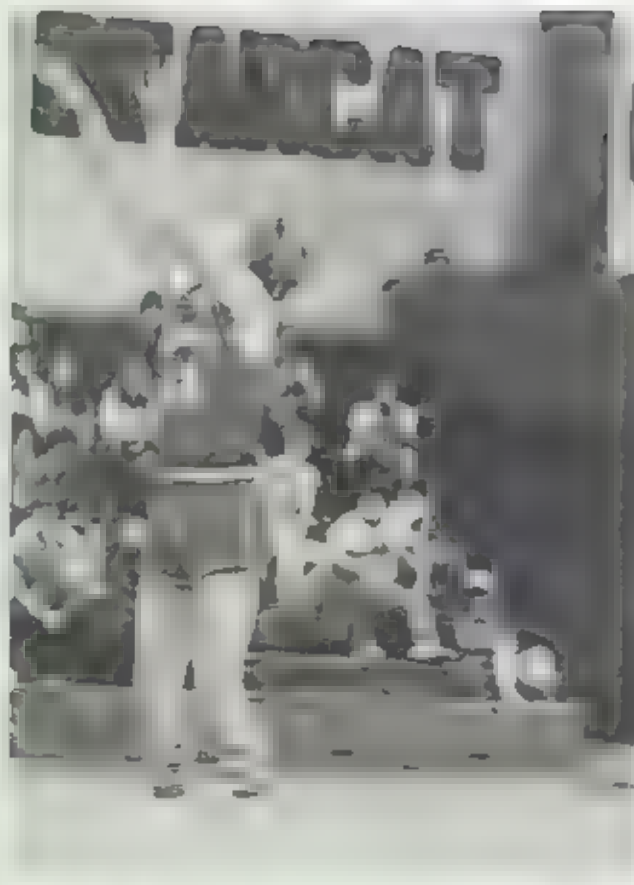

*There were two factors contributing to the success of the season. There was both consistency and bench strength. Consistency being Tawny Biller, Jeff Johnson,*

*Duke Marrs, Jimmy Nicklas and Jay Swanson. Bench strength being Don Roettger, Mitch Roth, Rob Winter, and seven more tenacious round ballers.*

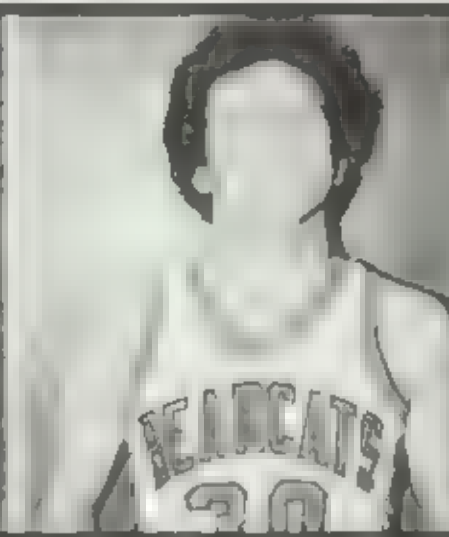

*If these young men drive themselves over the hump, there's no doubt they are potentially league champions.*

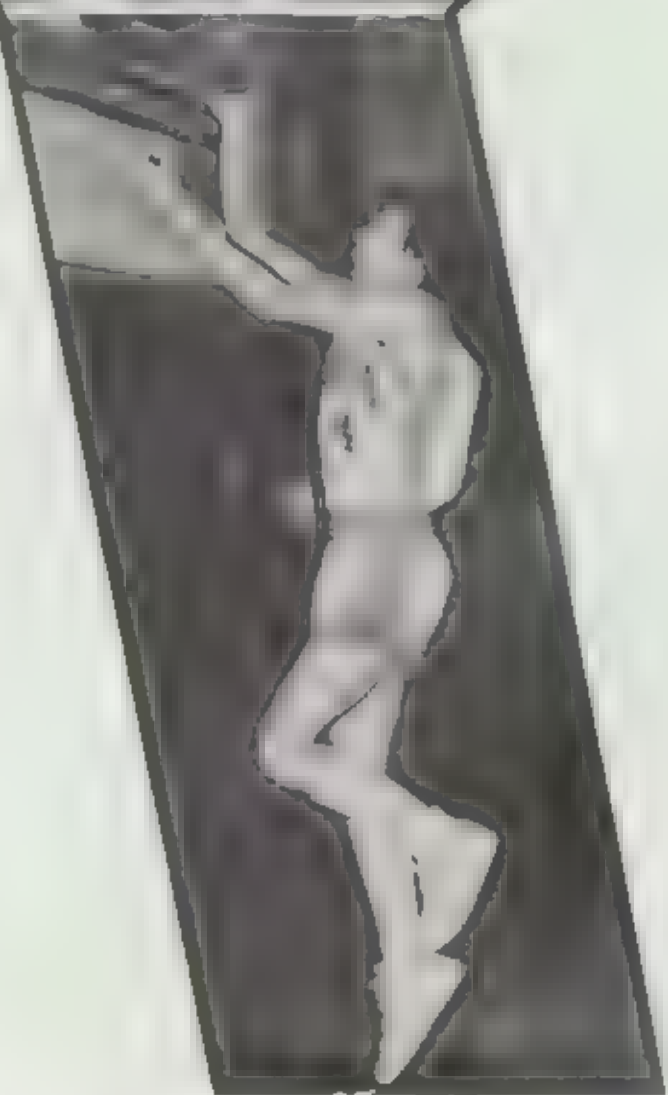

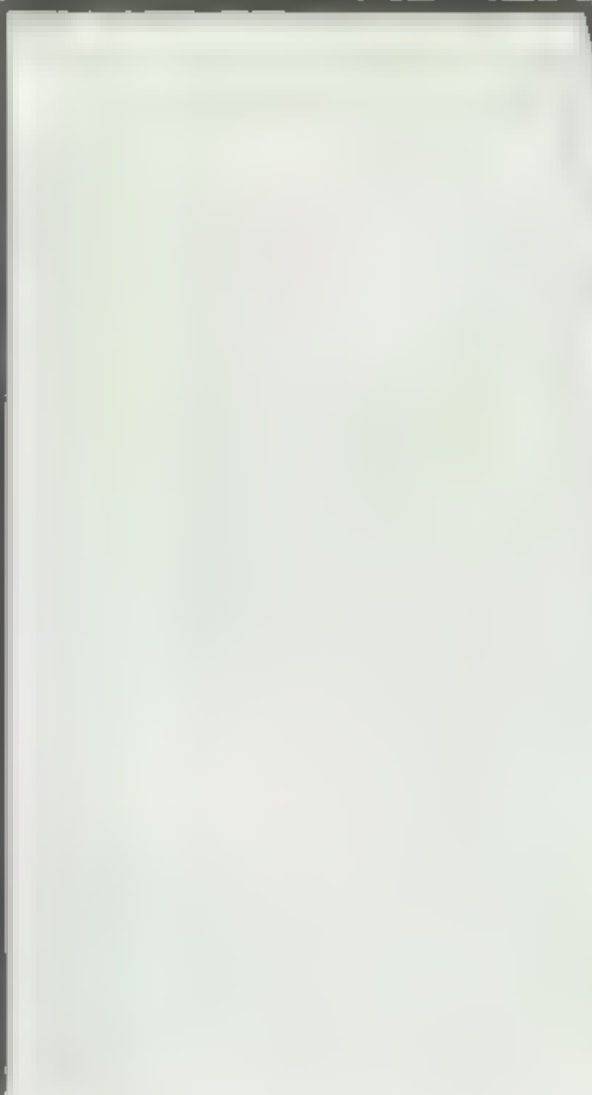

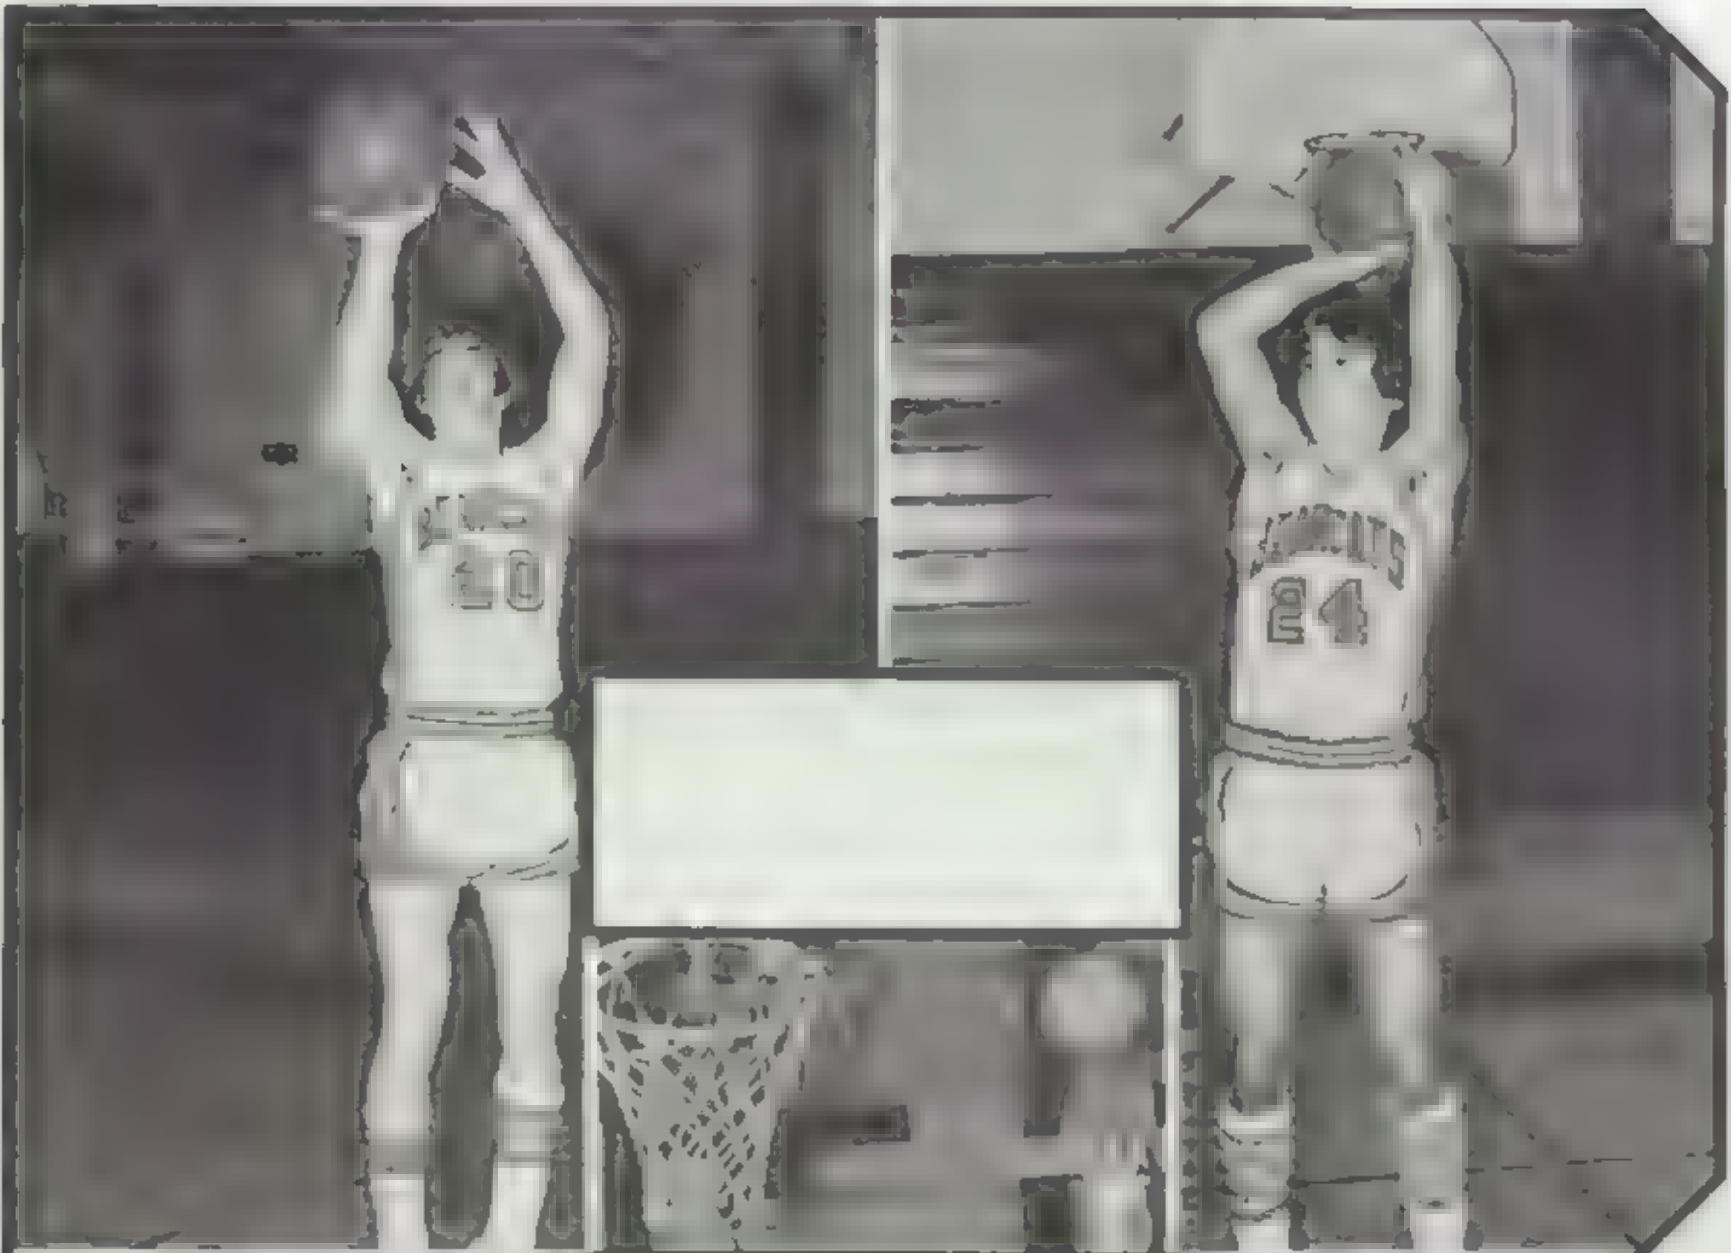

## The Players . . .

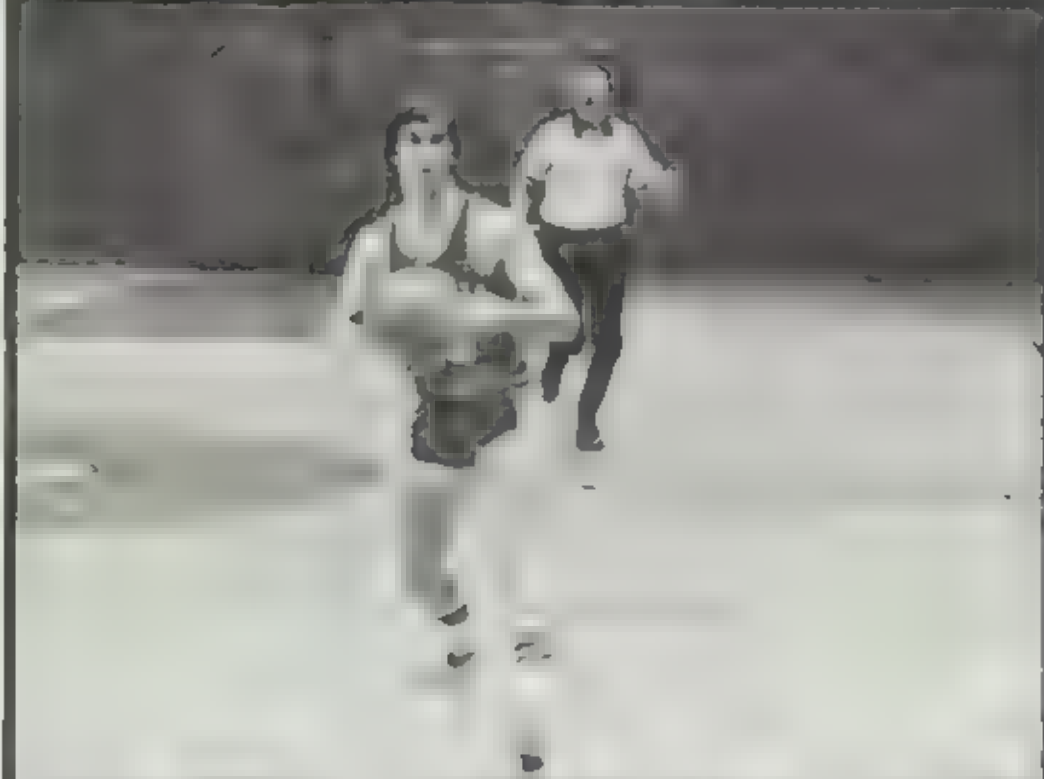

Through all the tough competition in the Las Padres League, the Bearcat ball handlers never gave up. Putting forth outstanding individual effort, each player showed his great amount of talent and skill. Leading the offense throughout the season were two aggressive seniors, Mica Hill and Kevin Wynne. Gary Lopez had a great year and also Dan Winter who showed steadiness on the court. Though they did not have a winning season, Bearcat basketballers kept the full support of their fans by playing their hardest until the last second

was over. No other team has ever had as much determination and drive as the Paso Robles Bearcats had. This gave them an endless amount of admiration from every spectator who watched them perform. Anticipating a better season next year, Coach Larson projects a team of greater depth and more overall ability. Next year's winning team will be comprised of many enthusiastic, experienced and Juniors. This year's team has much to be proud of, but more importantly they have shown everyone the true meaning of team spirit.

On their toes, passing, dribbling, shooting, and SCORING-describes our Girl's Varsity Basketball team. Under the coaching expertise of Ford Joy, these outstanding girls had a league record of 6 wins and 3 losses. Fighting hard all the way the girls came out as 2nd place

holders in the Los Padres Athletic League, and headed on to the CIF play-offs. Even with their busy schedule, the team found time to choose Charlie Reed as their "Sweetheart" in our first Sweetheart Assembly. What a team! Good work Bearcats!

# Bearcat Wrestlers: Take Em Down!!

The season came with force  
The 1980 Varsity Wrestlers  
brought in the new decade with  
a thundering new flint and high  
expectations.

The 80 season separated itself  
from all previous ones  
distinguishing a new stride set  
by Varsity victors as Henry  
Clardy and Robert Martinez who  
are seated number one in  
league. Varsity wrestlers Alan  
Willard, Abe Gomez, Mike Balson  
and Ken Bello who had little or  
no experience, struggled and  
fought well, throughout the  
season, attempting to gain all  
the experience they could prior  
to league finals. The Bearcat  
Wrestling Program is in a growth  
cycle. We have a young team  
including Freshman Jorge Rojas,  
Dane Lamb, and Dondi Felson  
Sophomores include Jim  
Martinez, Tony Mendoza, and  
Denny Ratliff. We have one  
outstanding Junior leader Troy  
Felson, who we hope will find  
lots of success next season. Out  
with the old and onward with  
the new. We are both glad and  
sad in saying good-by to Robert  
Martinez, Danny McKanna,  
Henry Cardy, and Bryan Dooley  
who have successfully graduated  
from our program and are  
eagerly advancing in life. Those  
wrestlers all exhibited strong  
leadership and were  
instrumental in the success we  
had this season. Wrestling  
season was concluded with  
Josephine Lochhead chosen as  
Wrestling Sweetheart

Dynamic lunges, body throws, walk up cradles, not to mention belly to belly, and half nelsons brought our fighting young Bearcats wrestlers to visualize their goal and pin it down to reality

A magnificent performance was displayed by young varsity prospects such as Dondi Felson, Jorge Rojas, including our junior varsity heavy weight Steve Richardson

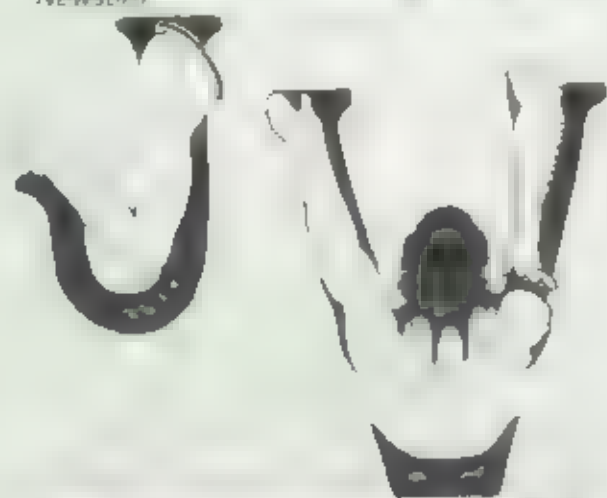

The fine young athletes were lead to a successful and trying year by first year J.V. coach Mr Greg Griffin. Coach Griffin, with a little help from head varsity coach Dave Hutton, brought the 1980 season to a future the athletes and C.I.F. competitors

## Bearcats Are On The Ball

The 1980 Bearcat Baseball team looked forward to defend their L.P.A.L. title. This year's team was played under new coach Tim Alvord. Coach Alvord's Bearcats were a young team, but as the season progressed they improved their skills. The Bearcats had a tough schedule but by eliminating their mistakes they hung in there. The team consisted of 14 hardworking players and each one had the desire to win. The team was led by Seniors; Tom Ashe, Mike Balson, Mark Ojeda, Steve Redmond, Dan Winter, and Kevin Wynne. Also with Juniors; Tom Donovan, Chris Griffin, Mike Haley, Mike James, Rob Ketchum, Frank Othon, Tom Tate, and Sophomore Jim Nicklas rounding off the 1980 Varsity Baseball Squad.

## Hit And Run

When each player on the Frosh/Soph baseball team decided to try out for the team they knew that it would take hours of hard work at practice. The harder they worked the better their "pay-off" would be.

The players: Tony Alexander, Mike Baker, Dave Balson, Louis Chavez, Bob Grogan, Mark Lacey, Frank Maduena, Duke Marrs, Tim Miller, John Ojeda, Chris Pryzybla, Denny Ratliff, Bob Underhill and Rob Winter played with unspoken understanding and proved their Bearcat pride.

## Stage Band Playing Dixieland

The Big Band era was over before most of us were born. But those sounds were created once again this year by Mr. Burkle's Stage Band on trombones, trumpets, saxophones and drums.

Practice started each day at 7:30 A.M. and performances were given at a Rotary Club luncheon, Scottish Rites meeting, and at the Christmas and Spring Programs at PRHS.

## Pep Band: They're Wild And Crazy

The PRHS Pep Band swung into action during the first away football game. The small, but rowdy, band kept the Bearcat spirit going all through the game and the whole season. They livened up those evenings with some good sounds.

The Pep Band, under the direction of Mr. Burkle, reflected the competitive spirit of our teams and school.

## Starlighters Shine On

*Starlighters is the name of a musical group that delighted audiences everywhere they sang from 100 year old birthday parties (Tim Brown's great-grandma) to the traditional carols at the PRHS Christmas program. If you walked by the music room during third period you may have heard Mr Burkle and his gang rehearsing. Other programs included the Spring Concert and a performance at the Women's Club. With a smile and a song.*

## A.F.S. Is Going Places

The motto for all American Field Service clubs through out the county is "Peace by Understanding." By exchanging ideas with other countries, and understanding those ideas, AFS ers can ease stress and create peace between nations

Members of the club have been working hard to raise money for the traveling members of AFS. While nickles and dimes clink in the cans on Penny Wednesday AFS ers think of "travel". Another fund raising activitiy was the spaghetti dinner served in the fall.

Some activities included a county camp out with other AFS students, the send off of Mike Yost to Finland and the welcome of Sophie DeVicior from France.

Hard workers of the AFS are Linda Fernandez-President, Estella Fernandez-secretary-treasurer Dale Kummerly-member chairman Ruth Baldwin-Penny Wednesday chairman, and Mrs. Reeves-advisor with Mr. Hahn-co advisor.

# A Penny For Your Thoughts.

Terrie Taulla

Time has gone by so quickly! When I first became interested in A.F.S., this seemed impossible. Now it is all history. Thanks to all who made my exchange possible. I'll never be able to repay you. Never will I forget the memories I found in Paso with you.

Everything I ever had, ever knew was in Paso Robles. Now this is no longer true, thanks to those in Paso who helped me come to Finland.

Once I thought I was individualistic, but I never even knew the meaning of the word 'till now. This exchange has helped me to see that others have needs different from mine. That California is not the center of the world.

Flowers can't grow if you keep them in your hand. We must plant them. It is hard to see a movie from the front row.

A lot can be gained from A.F.S. New friends, wisdom, perhaps a few pounds. All it takes is your interest, you don't have to be a brain, or a rich kid. Try, please.

One really great asset about Finland is Sauna. Every other night, my host family and I go to Sauna. It's impossible to be modest in Finland.

The weather is extremely cold, of course, and the days are short. Today the sun rose at 10:15 a.m. and set at 3:30 p.m. Very confusing, but I love it.

My first two months here were rather sad and homesickness was a problem, but now it would be difficult to make me leave.

This entire year has, and will, change my entire life, and I urge others to experience this change.

Perhaps this is all a dream, but one that will never be forgotten.

Thanks  
Michael

Dear Paso Robles High School,

Spending one year in another country is a wonderful experience. I would want everyone to have the same chance I had.

It gave me the opportunity to discover a lot of different things and to meet a lot of different people. I think traveling is the best way to gain knowledge, and now I approve of the French proverb "les voyages forment la jeunesse" which means "travelling helps to form the young."

I had a hard time at the beginning to communicate, but because of my family, teachers, friends and mostly because of Paulette this obstacle was overcome soon after my arrival.

I have even tried to lose my French accent, since people were beginning to tease me about it, but since it was too hard to overcome I took Miss Jones' suggestion and gave up on that project and started on some other ones.

The American schools are totally different from those of the French schools. Here school plays a larger part in the everyday way of life. In France there is no homecoming yearbook, class ring, . . . In the French school sports are almost nonexistent, and here I found them to be the center around all activities here at school. I discovered football, baseball, and cheerleaders who I had only heard before arriving in Paso Robles and through America. I took my active part in the school's sport world by playing volleyball and I want to thank those people who helped me in to become a member in the team. They taught me the feeling of defeat and the feeling of winning.

In general classes are a lot easier here than in France except for government.

I didn't know that I could get so well with a different family and because of them I owe a great deal of thanks and because of them I did not get homesick (except at Christmas).

I would like to thank all of my A.F.S. friends who have been so nice to me.

I hope to come back one day to my American family and friends including those who meant a great deal to me like Linda, Lynn, Cathy, Sandy and all of the others that if I named would fill this page and many others of the same. I will miss each one of you in the years to follow.

Thanks once again to all of Paso Robles. With special thanks to the teachers who gave me the chance to call home at Christmas time.

Good luck to all of the seniors in the years to come.

Truly

SOPHI

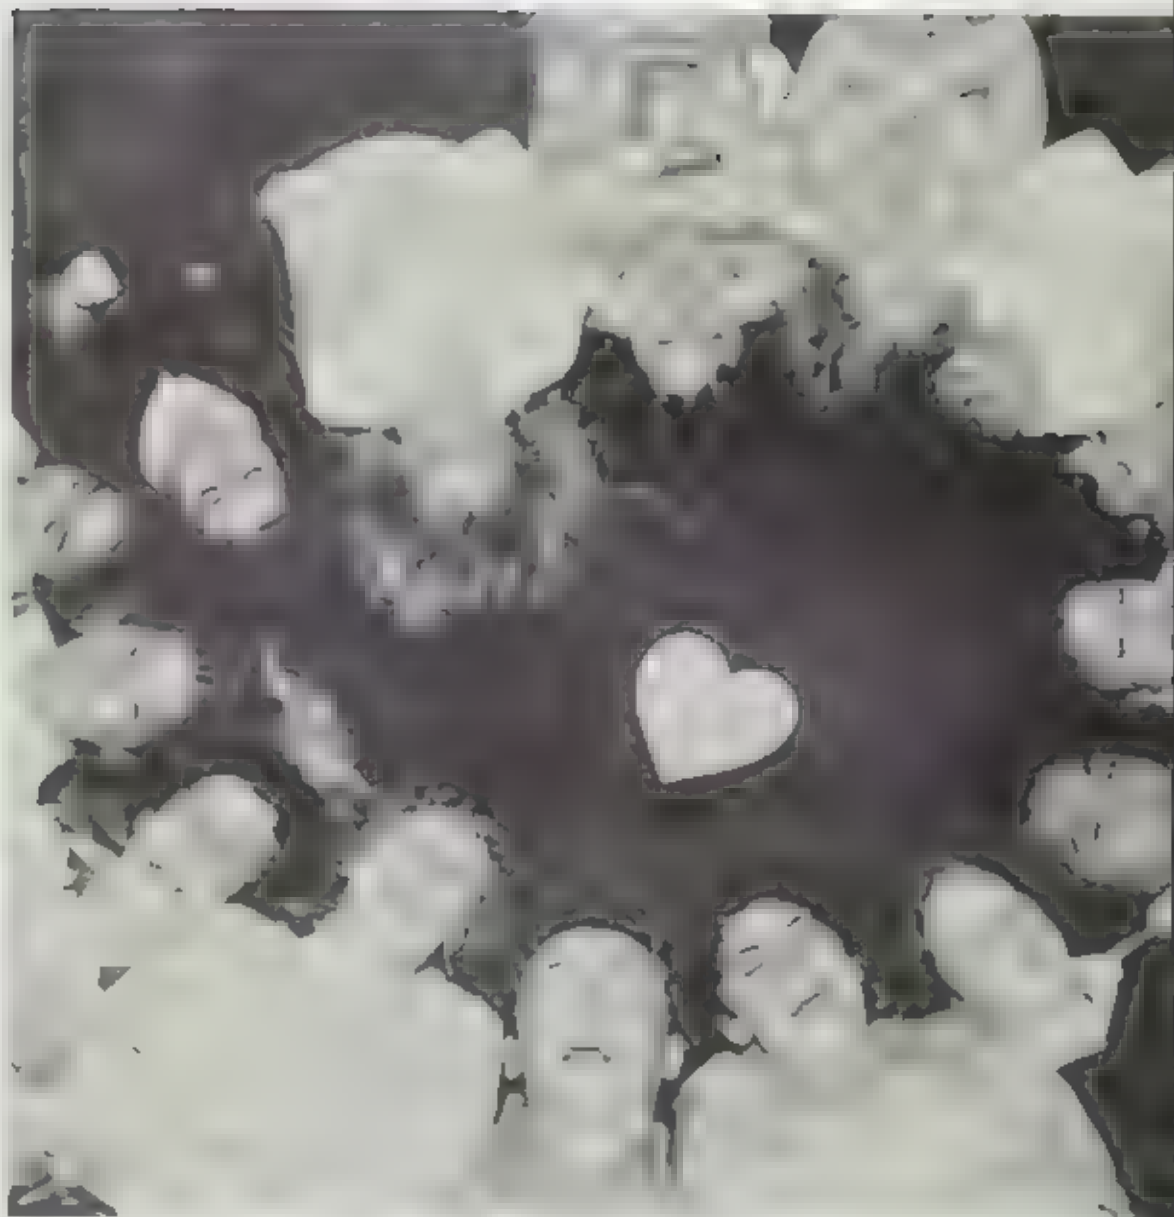

## The Strength Of El Roble

Each student enrolled in Yearbook, becomes an integral part in the production of our EL ROBLE—an \$11,000 annual business venture

Responsibilities are greater than in any other class because mistakes cost money. Kari Horvath and Maria Madrid accepted the challenge to be this year's editors. They were joined by Toni Venturini during the second semester to organize all the activities in production. Each student was asked to work harder as the pressure grew to meet deadlines with quality pictures and copy.

Some students were neither productive nor reliable. They were replaced by others who spent long hours after school, evenings and weekends to create an EL ROBLE that best reflected you in capturing memories at PRHS during 1979-80.

# Homemakers Make Our World A Better...

F.H.A. (Future Homemakers of America) is just another name for a hard working club that takes pride in what they do and make with the best of their free time

This years president, Jack Dickenson, led the club on a ski trip over a three day weekend in February and he also helped in the Muscular Dystrophy dance-a-thon

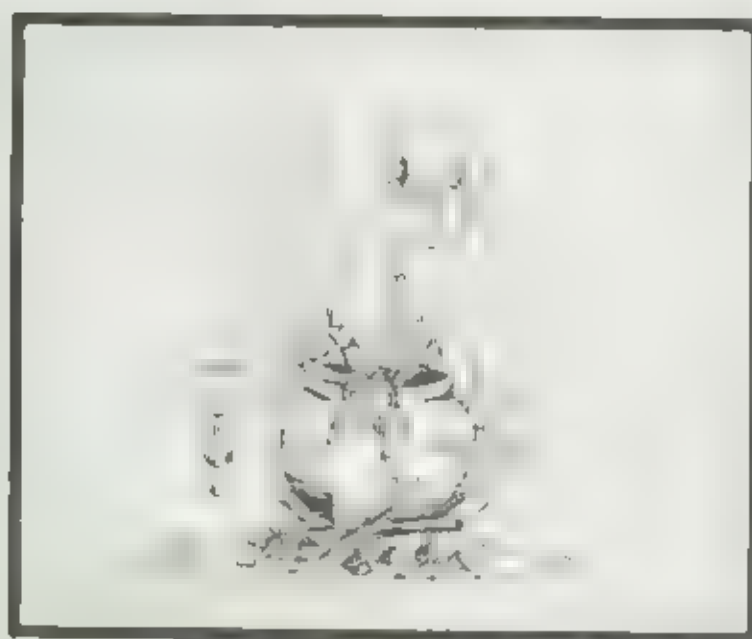

This year Mrs. Amaral assisted in their activities and made the club fun for all. A good word to describe her would be enthusiastic

# Ski Club... Winter Wonderland

Members of the student body, who enjoy skiing in the frosty winter wonderland showed their interest in gliding down the snow covered mountains in the student interest polls taken towards the beginning of the year. The suggestion of a ski club soon became a reality with the help of Mr. Ken Standley

A car wash was held to raise money for the ski trip taken February 23. The anxious members contributed their time and effort making over \$50.00. With a group of approximately 35 this year the ski club is awaiting to be snowbound again next year with many new members

## Building For The Future.

The school was coming apart at the seams. Ceilings were falling, radiators leaked. Johns wouldn't flush, and students felt like they were on location for "One Flew Over the Cuckoo's Nest". Then one day Herb Brazzi and his construction gang came in and changed all of this.

Walls were repainted, ceilings were lowered, heat was restored and air conditioning added. An elevator was even installed for the disabled students. New rooms were added, along with some new teachers. The school was transformed into a modern institution. Carpeting was placed on the floor co-ordinating with wall colors.

Education has taken a step forward at PRHS with the remodeling completed, but we're really looking forward to the new school.

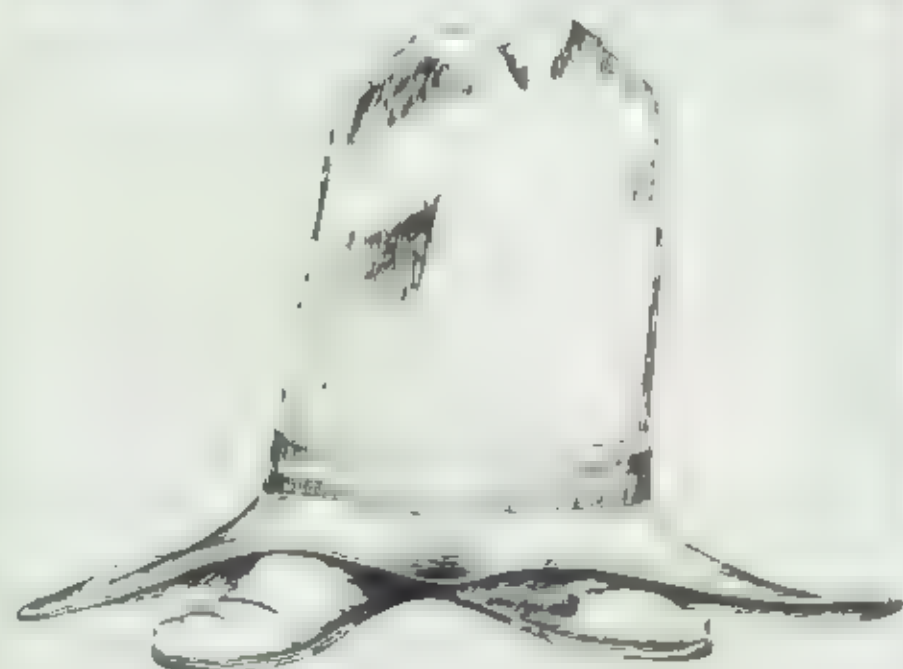

## Through Their Struggles

FFA has been not only very hard working but enthusiastic in showing for their efforts and goals by performing at county fairs, field days and also leadership conferences. This club has grown considerably and now has a membership of 100 students and it is the largest club with the most Chapter Farmers and Greenhands in this county. The year has passed well and the activities have been rewarding as well as pleasurable. One major activity, for active members, has been the snow trip. Other major activities have been the King City Fair, San Luis Obispo County Fair, Rabies Clinic, Paso Robles Field Day, and also the trail ride.

## College Or Bust

The California Scholarship Federation, better known as CSF, is a very popular club for the college bound student. To qualify for CSF one must take certain classes and perform well in them. The most important aspect of being in CSF is the recognition it provides for one's records upon entering a college.

Last year (78-79) the students raised money through See's Suckers sales, preparing to go to San Francisco. However, due to the gas crisis the trip was postponed until this fall. Through the sales they managed to raise approximately one-thousand dollars, which paid for transportation, visits to colleges, and other such activities. Out of the twenty-five students involved in CSF only nineteen were able to participate.

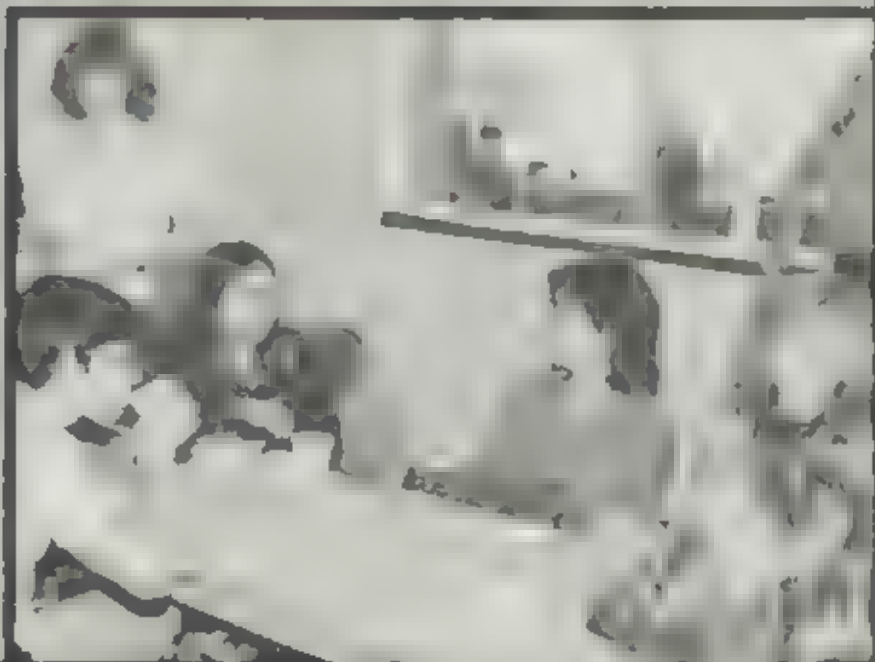

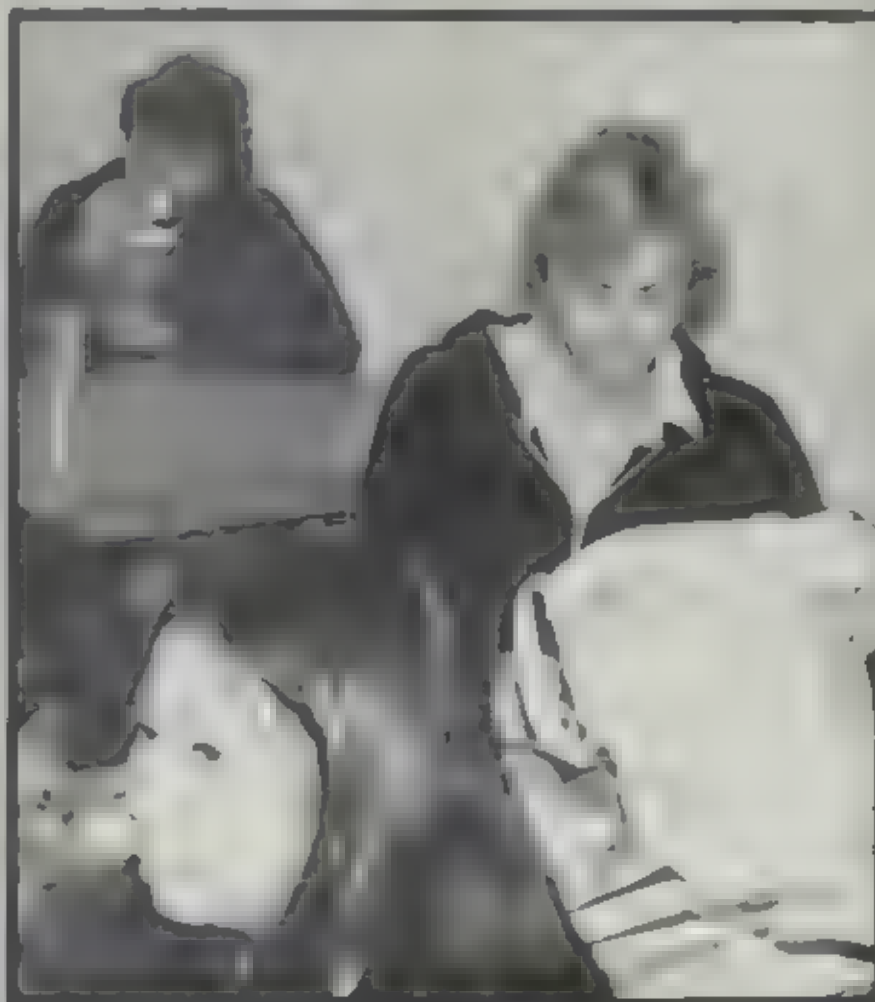

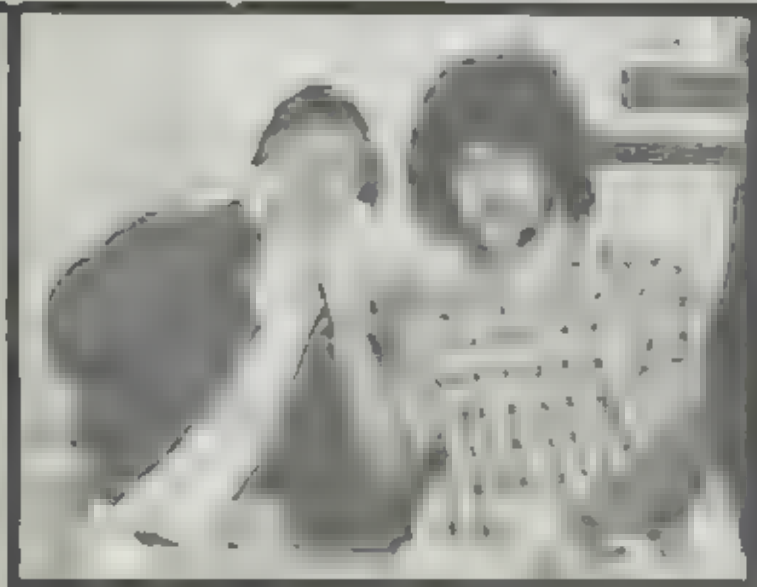

With the guidance of the adviser Ms. Babette Crabtree, the club is an immense success. The students realize what they want and go after it with gusto. And that's the exact attitude needed for college bound students.

CSF officers: Pres. Paulette Bates, vice Pres. Robert Tupper, Sec. Treas. Sandie Taylor, Par. Historian Linda Fernandez, Advisor Miss Babette Crabtree.

## The Miracle Workers 1979-80 Drama Class

*Social Skills, trust, self-awareness and self development are all a part of the Drama class under the direction of Glenn Smeltzer. With 32 students in the acting class and 13 students in stage craft, Mr. Smeltzer choose plays he thought would be a challenge for student performers and appealing to the Paso Robles audience. Play productions have included The Miracle Worker in January, You Can't Take It With You in May, and two one-act plays entitled A Most Interior Witch and Gander Sauce. Our drama department is a growing organization because of the dedication of directors, performers and stage workers, and excellent productions*

A time for dreams, fantasies, memories, magic, spirit and celebration. Homecoming 1979 was "A Time For Us."

Traditionally Homecoming is a special time of year when Bearcat fanfare builds with excitement, enchantment and a school pride which compares with no other.

The Sophomore class began the mood of Homecoming week by decorating the patio with crimson and white streamers. The decorations reminded everyone that the week of joyous festivities had arrived.

There was much excitement and wonder as everyone gathered in the gym for the annual Homecoming assembly. Everyone's eyes were filled with excitement as they entered and found themselves IN A BEAUTIFUL hawaiian atmosphere. The assembly was presented by hard working Juniors in honor of the football princess, Jenny Mallozi. There were many tears and smiles as the class attendants and nominees for homecoming queen were announced.

Homecoming week fever climaxed as Friday atlast arrived. To receive good class recognition each class designed and built their own floats. Last minute touches were made to make the floats look their best for competitive judging. And to announce to the community that the highlight of the year had arrived, the royalty, class floats, pep squads and the band paraded themselves through town while being escorted by the police.

As the sun set, hearts were warmed with thoughts of the night to come. The decorations in the stadium put up by the Freshmen were enjoyed by all.

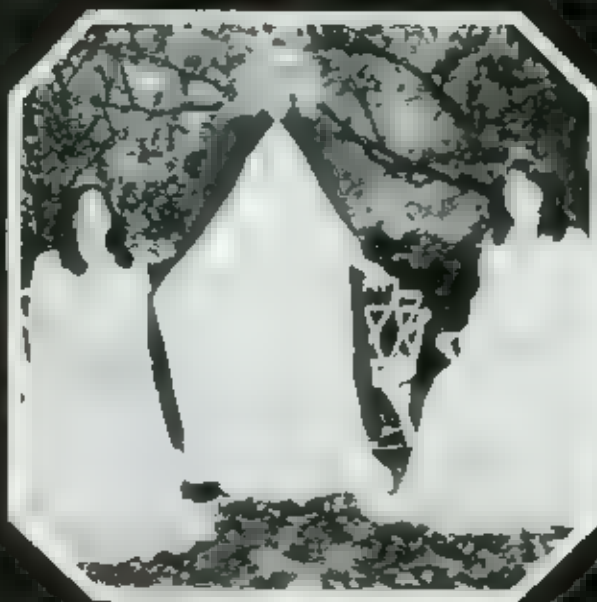

When haltime suddenly arrived the royalty were escorted onto the field one by one with honorary attendant Sophie Devictor from France.

Tension mounted as the 1979 Homecoming King and Queen were finally to be announced. Matt Csney and Cammy Biller were Announced King and Queen for '79. Crown Bearers Lynette Booker and Mike Perez Presented the crown. With many cameras flashing, Cammy accepted her well deserved honor with tears of happiness.

The senior class completed the festive evening by giving a formal dance after the game. Couples danced through the night celebrating the end of the memorable week. Homecoming '79 was unforgettable in the hearts of all who participated. It certainly proved to be "A Time For Us."

# 1979-1980 Cheerleader/Songleader Squad

Enthusiasm and pride best describe the 1979-80 pep squad. Win or lose the pep squad backed up their teams with unsurpassable spirit that kept the crowd on their feet.

Through thick and thin, the pep squad proved to be together as one as they worked hard through the year supporting the Bearcat teams. Their pep rallies were exciting as spirit swept over all the classes. The cheerleaders and Songleaders dazzled everyone with skits that proved them to be CRAZY!

During the summer, the pep squad traveled to Santa Barbara to cheerleading camp. Here they learned new cheers, chants, and dance routines. Out of the 300 schools, P.R. pep squad recieved 2 of the 8 spirit stick awards to take home.

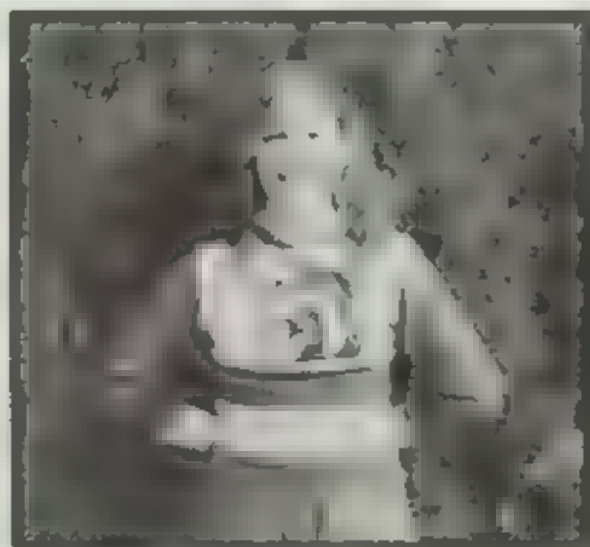

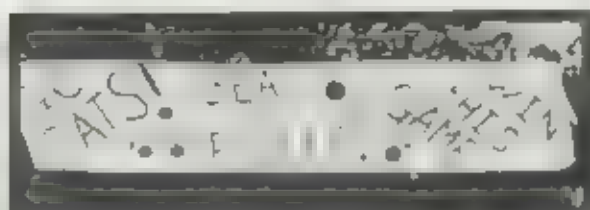

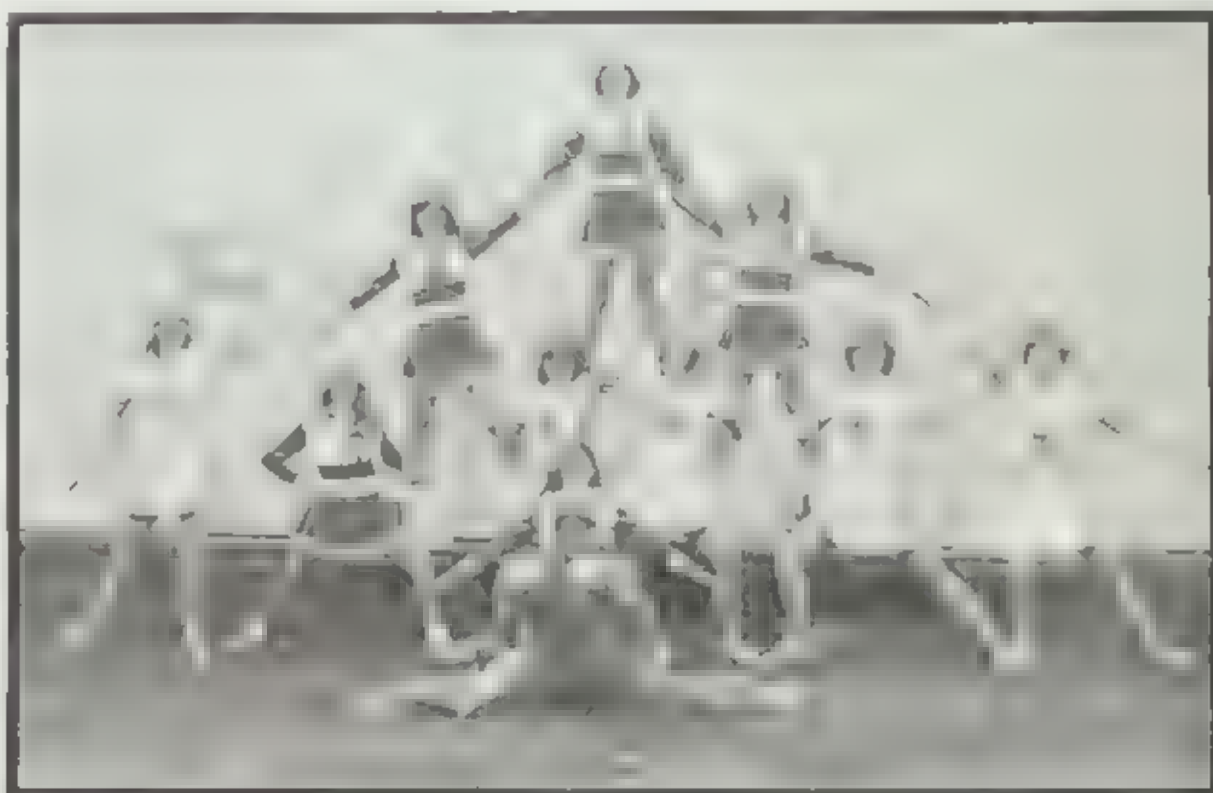

Overcoming the bad times, they will cherish the memories with many happy moments. As one radio spokesman announced, "If it would have been up to the cheerleaders, we would have won the game."

# J.V. Spirit Speaks For Itself

We are very proud to have been a part of the Frosh-Soph football and basketball team. We did our best to let the players know that we would stand behind them no matter what the outcome. The team did their best when the crowd was behind them, which is what we tried to accomplish. In our opinion our support was just as important at a game whether it was at home or a faraway town. Because we really enjoyed cheering for our team and recognized their continuous effort, we frequently gave them cookies, candies, and secret pal cards.

With our Bearcat pride, we'd like to commend the players both in football and basketball for their cooperation with us and their determination to win.

## Student Council-The Leaders Of The Future

Student Council has had a very productive year this year. We've coped well with some very unusual situations, tried to bring back some old traditions and maybe start some new ones, and hopefully advanced our education system to some extent.

Our council has tried to keep the student body involved in school activities. We've tried to bring interesting assemblies covering a wide variety of areas and appealing to a majority of the student body. I feel that we've done a good job of this under some difficult conditions.

All-in-all, I feel that Student Council has been a valuable experience and one which I'll never forget.

# ART CLUB

## Culture

The Art Club is placing a foothold for future years of Paso Robles High School Art students. The Club produced a contributive organization for both the community and the benefit of students.

After several semesters of dormancy the Art Club has lengthened its stride, blooming into a full fledged organization. Strong leadership by President and staff, with the support of the members resulted in several fund raising and cultural activities.

Field trips have been planned for the future to bring a greater awareness of the artworld. The Club is donating a selection of equipment for the Art classes.

This being the most productive year in the Art Clubs history we are looking forward to many more cooperative and culturally up building years ahead.

## Havin' A Good Time ...

The Special Education students, under the supervision of Mr Starlings, have been quite busy this year learning new skills in modified Language Arts mathematics, typing, and Home Economics. They have also been learning the basics in bowling, golfing, hiking, and swimming.

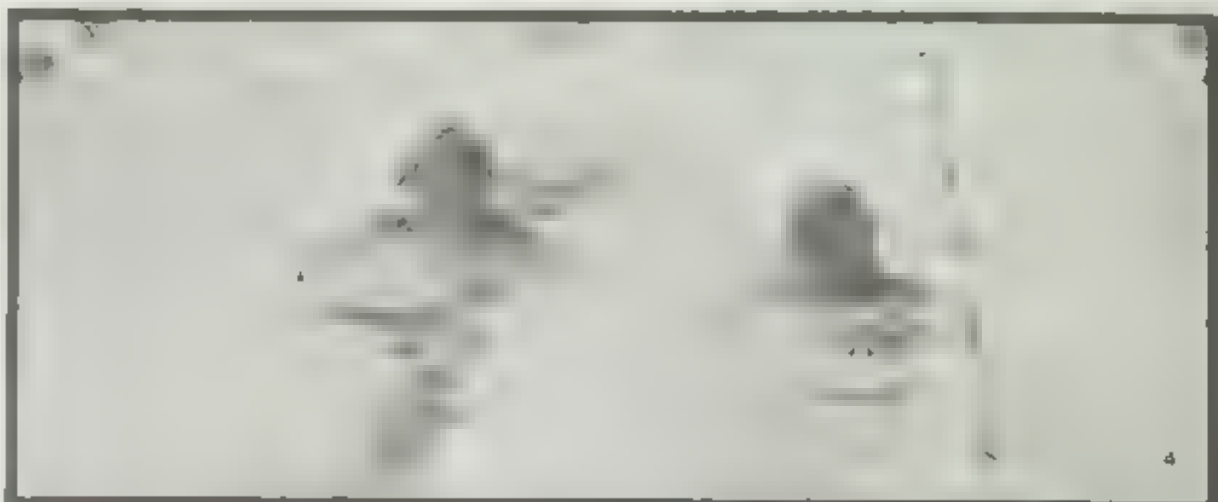

When not studying hard in class, the students were preparing for their hiking and fishing trip to one of our nearby lakes, going on a field trip sponsored by McDonalds or preparing for the Special Olympics. There are also three boys who help the custodians with maintenance, repairs, and keeping our school clean.

This has been Mr. Starlings' first year teaching at Paso Robles High School, although he has taught at other schools for 35 years. He thoroughly enjoys his work and his students.

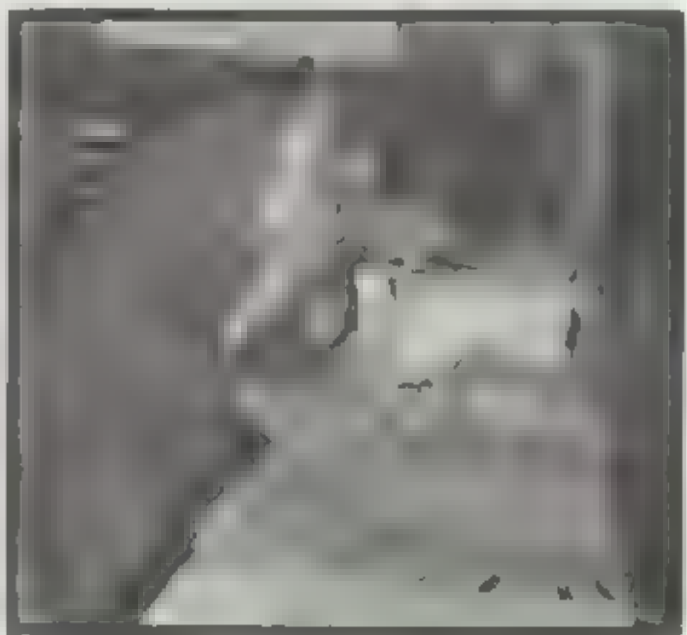

Mr. Starlings and his students have held on to "Havin' a good time" throughout much hard work setting a good example for other students to follow.

# Bearcats Earn Honors

This year's annual takes pleasure in giving recognition to the following Bearcat students receiving academic awards.

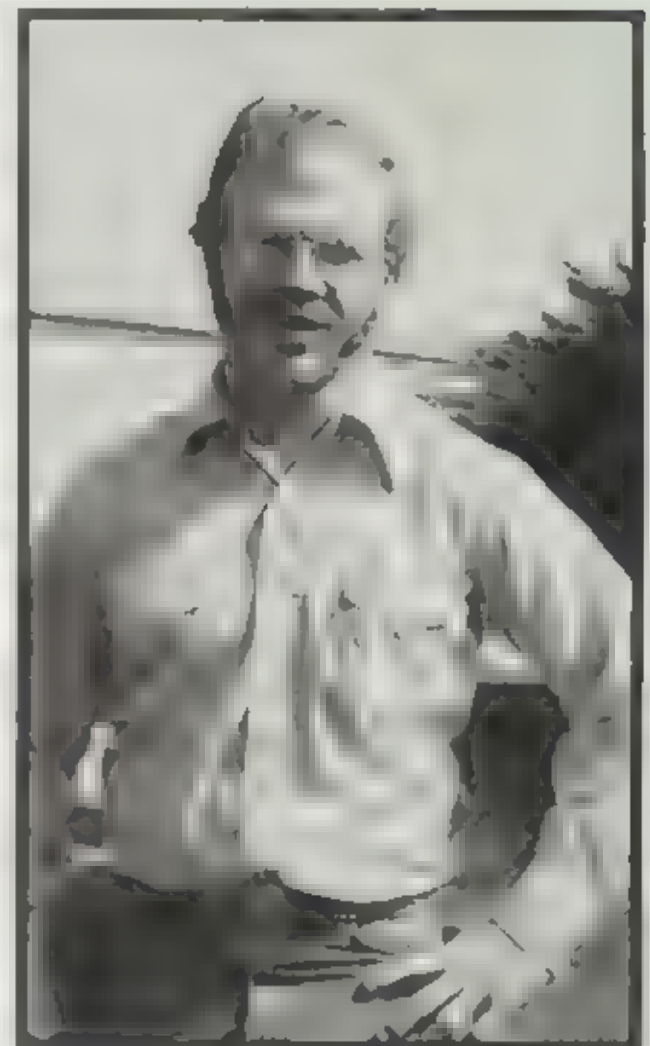

This year two junior boys were chosen by teachers to attend Boys State. These two juniors are Richard Ogden and David Bedell. Holly Spinaz was chosen to attend Girls State and the two alternates were Dena Cagliero and Jenny Lauridsen. These outstanding students were chosen both for their academic achievement and their participation in extra activities.

Bank of America gives plaques and certificates to seniors who displayed superior talents in specific subjects. The certificate winners are Art, Scott Condict; Drama, Tami Spencer; Music, Tim Brown; English, Lynn Webb; Foreign Language, Paulette Bates; Social Studies, Dan Winter; Laboratory science, Malcolm Chase; Math, Karen Purmort; Agriculture, Debbie Stock; Business, Amy Frederick; Home Economics, Joseph Kelley; and Industrial Trades, David Dieter.

Bank of America Plaque award winners are Rosalinda Fernandez for the liberal arts, Sandie Taylor for Science and Math, and Robert Martinez for Vocational Arts. These students were carefully chosen by the heads of the departments. All of these students should be proud of their great accomplishments.

**To the Yearbook Staffers: WHAT DID YOU LIKE BEST ABOUT BEING IN YEARBOOK?**

Mark Ojeda - It wasn't boring. It's not like other classes. You could walk in and do something different everyday.

Toni Venturini - Being able to be a part of the group of students who keep the memories of the past year.

Michael Black - Taking pictures and seeing them being used in the yearbook.

Chrys Peterson - The togetherness of the class, the challenge of meeting the deadlines, and the independence Mr. Grasser allows us in forming our yearbook.

Maria Madrid - It's a good feeling to know that you're accomplishing different things everyday. Also we get a "sneak preview" of the annual.

Niki Tison - Having parties but getting the book done anyway. And the results are great.

Cheryl Van Horn - All the wild and crazy people; that adds humor to a normally hectic day.

Bill Sheffer - The girls.

Jo Lochhead - The freedom to express my own ideas.

Colean Fann - Working hard in and out of school and seeing that it was worth all of it.

Mr. Grasser - It gives me an opportunity to work with those students who are the most creative, vivacious, and enthusiastic students of PRHS.

Resting high above  
Never worrying about yesterday  
For life has just begun  
Leaving only memories  
Of the life I've left behind  
And praying that you'll remember me  
In your hearts and in your minds.*

Cheri  
 I didn't get to see  
 much this year. May-  
 be next year. I don't want  
 to work and have a nice  
 summer. Love Richard.

THANKS

Have a little  
 summer,  
 David

Cheri  
 didn't get to  
 talk to you that  
 much this year or  
 get to ride in your  
 car, but maybe next  
 year Love Shawn

Oh Shawn  
 I wish we  
 could see  
 something and  
 get away  
 for a while  
 Love Richard
